FOR IMMEDIATE RELEASE:

FDR Training to Highlight OPM's New Human Resources Management Competency Model

FDR Training's robust agenda covers the most current EEO, HR, LR, ER, ADR and legal challenges practitioners face in today's federal workplace.

PALM BEACH GARDENS, Fla. – June 26, 2024 – FDR TrainingSM, the nation's leading federal civil service law training event attracting decision-makers from nearly every federal agency, announced this year's program will spotlight the Office of Personnel Management's new Human Resources Management Competency Model and Parenthetical Specific Competency Models during the event taking place August 6 - 9, 2024, at the Caribe Royale Orlando in Florida.

A high-level professional development event, FDR Training will help attendees strengthen key competencies identified in OPM's new models. More than 70 workshops and sessions — led by the federal community's favorite trainers such as Barbara Haga, Jo Linda Johnson, Esq., Robert Erbe, and others — will advance attendees' skills in competencies including Learning, Leveraging Diversity, Conflict Management, Human Capital Management, Education and Training, EEO, Compliance, and Research. All workshops and sessions will be categorized among seven tailored learning tracks: *Equal Employment Opportunity, Human Resources, Labor Relations & Employee Relations, Alternative Dispute Resolution, Attorney/Legal, cyberFEDS® Users Group, and Town Hall Conversations.*

In addition, the HR Management Competency Model specifically mentions *cyberFEDS* as a source for legal research, and the *cyberFEDS Users Group Track* is designed to help participants get the most out of their subscription so they can fully utilize all the resources available on the site.

"The FDR Training program provides a unique opportunity for attendees to strengthen many of the skills identified in OPM's competency models across HR and related specialty areas," said Leslie Lake, Vice President, Federal Editorial, LRP Media Group. "*The cyberFEDS Users Group Track* also gives attendees access to *cyberFEDS* trainers and editorial staff, who will share best practices to help attendees efficiently and effectively perform legal and compliance research."

FDR Training will also feature the Keynote, *Igniting FDR! Making the Most of Your Federal Career Journey*, where popular FDR speakers Jo Linda Johnson, Dwight Lewis, Donald J. Names, and dynamic new voice, Emily Gregory, will discuss critical skills that lead to both professional and personal success, such as having difficult conversations, making key connections, and getting comfortable with discomfort.

Attendees who register for the 2024 FDR Training event by August 5, 2024, will receive Early Bird Savings of \$50.00 off an All Access Premium Pass. For more information and to register visit www.FDRtraining.com or call toll-free 1-800-341-7874.
